CINCINNATI ADVERTISEMENTS. COUNTERFEIT! CAUTION TO PARTIES PURCHASI S. N. PIKE'S MAGNOLIA WHISKY

THE UNDERSIGNED, manufacturer and sole proprietor of the above brand of WHISKY, would respectfully inform his customers and pur chasers of this celebrated brand, that there has appeared in the Charleston and other Southern markets a counterfeit of the above Whisky, being a poisonous imitation, branded similar to his brand; it passes under the name of S. N. Dike's Magnolia Whisky, Uncinnati, Ohio, and other names similar to 8. N. Pike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and deceive those who would surchase the genuine brand. I make this statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have analyzed using my name with a slight alteration. I have analyzed several samples of this counterfest brand, and found that it contains a deadly poison; this fact alone impels me to caution the public, protect those who are liable to be ecsived, and prevent the evil results attenting the use of this poisonous imitation. I slso hereby caution the counter-feiters of my brand that I will prosecute them to the full extent of the law. The genuine F. N. Pike's Magnolia Whisky is distined from the best qualitities of Rye and Corn, and is warranted free from any deleterious or obnox ons compound, it being a pure and healthy beverage.

Many parties have recently commenced making a brand of Whisky Called Magnolia, but they are an immitation of my trade brand, so be careful and get the only genuine Magnolia Whisky made in the United States, and distilled only by me.
